Madison County Electoral Board

Minutes of the June 12, 2018 Primary Election Canvass

Attendees: Electoral Board Members, Beth Eddins, Susanna Spencer, Bonita Burr,  
General Registrar, Diana Eanes,

There were no Provisional Ballots therefore no need to have a special meeting.

The Electoral Board proceeded to perform the Canvass. The SORs were reviewed for accuracy and completeness and the results documented in the notes from the Canvass. The County and City Reports were prepared without issues, Abstracts were created and signed.

Overall the Election was carried out successfully, no major problems were presented due to the new equipment. We will study suggestions for improvement in the process and implement them in the next election.

The Electoral Board also discussed the deteriorating condition of the Etlan and Criglersville Precincts. The Board agreed that it would take immediate steps to move the Etlan precinct to the Etlan United Methodist Church if the Church agreed. The Board will research possibilities for the Criglersville Precinct since no immediate opportunities are available. At another time, the Board would like to combine both precincts, however, given time constraints we will deal with Etlan first.

Bonita Burr,

Secretary
